AHA. HEHE...

WHAT ARE

WHY DO YOU
WANNA KNOW THAT?

NAH, JUST...
HEHE

Shit...

I knew it from the start I wasn't her first time...

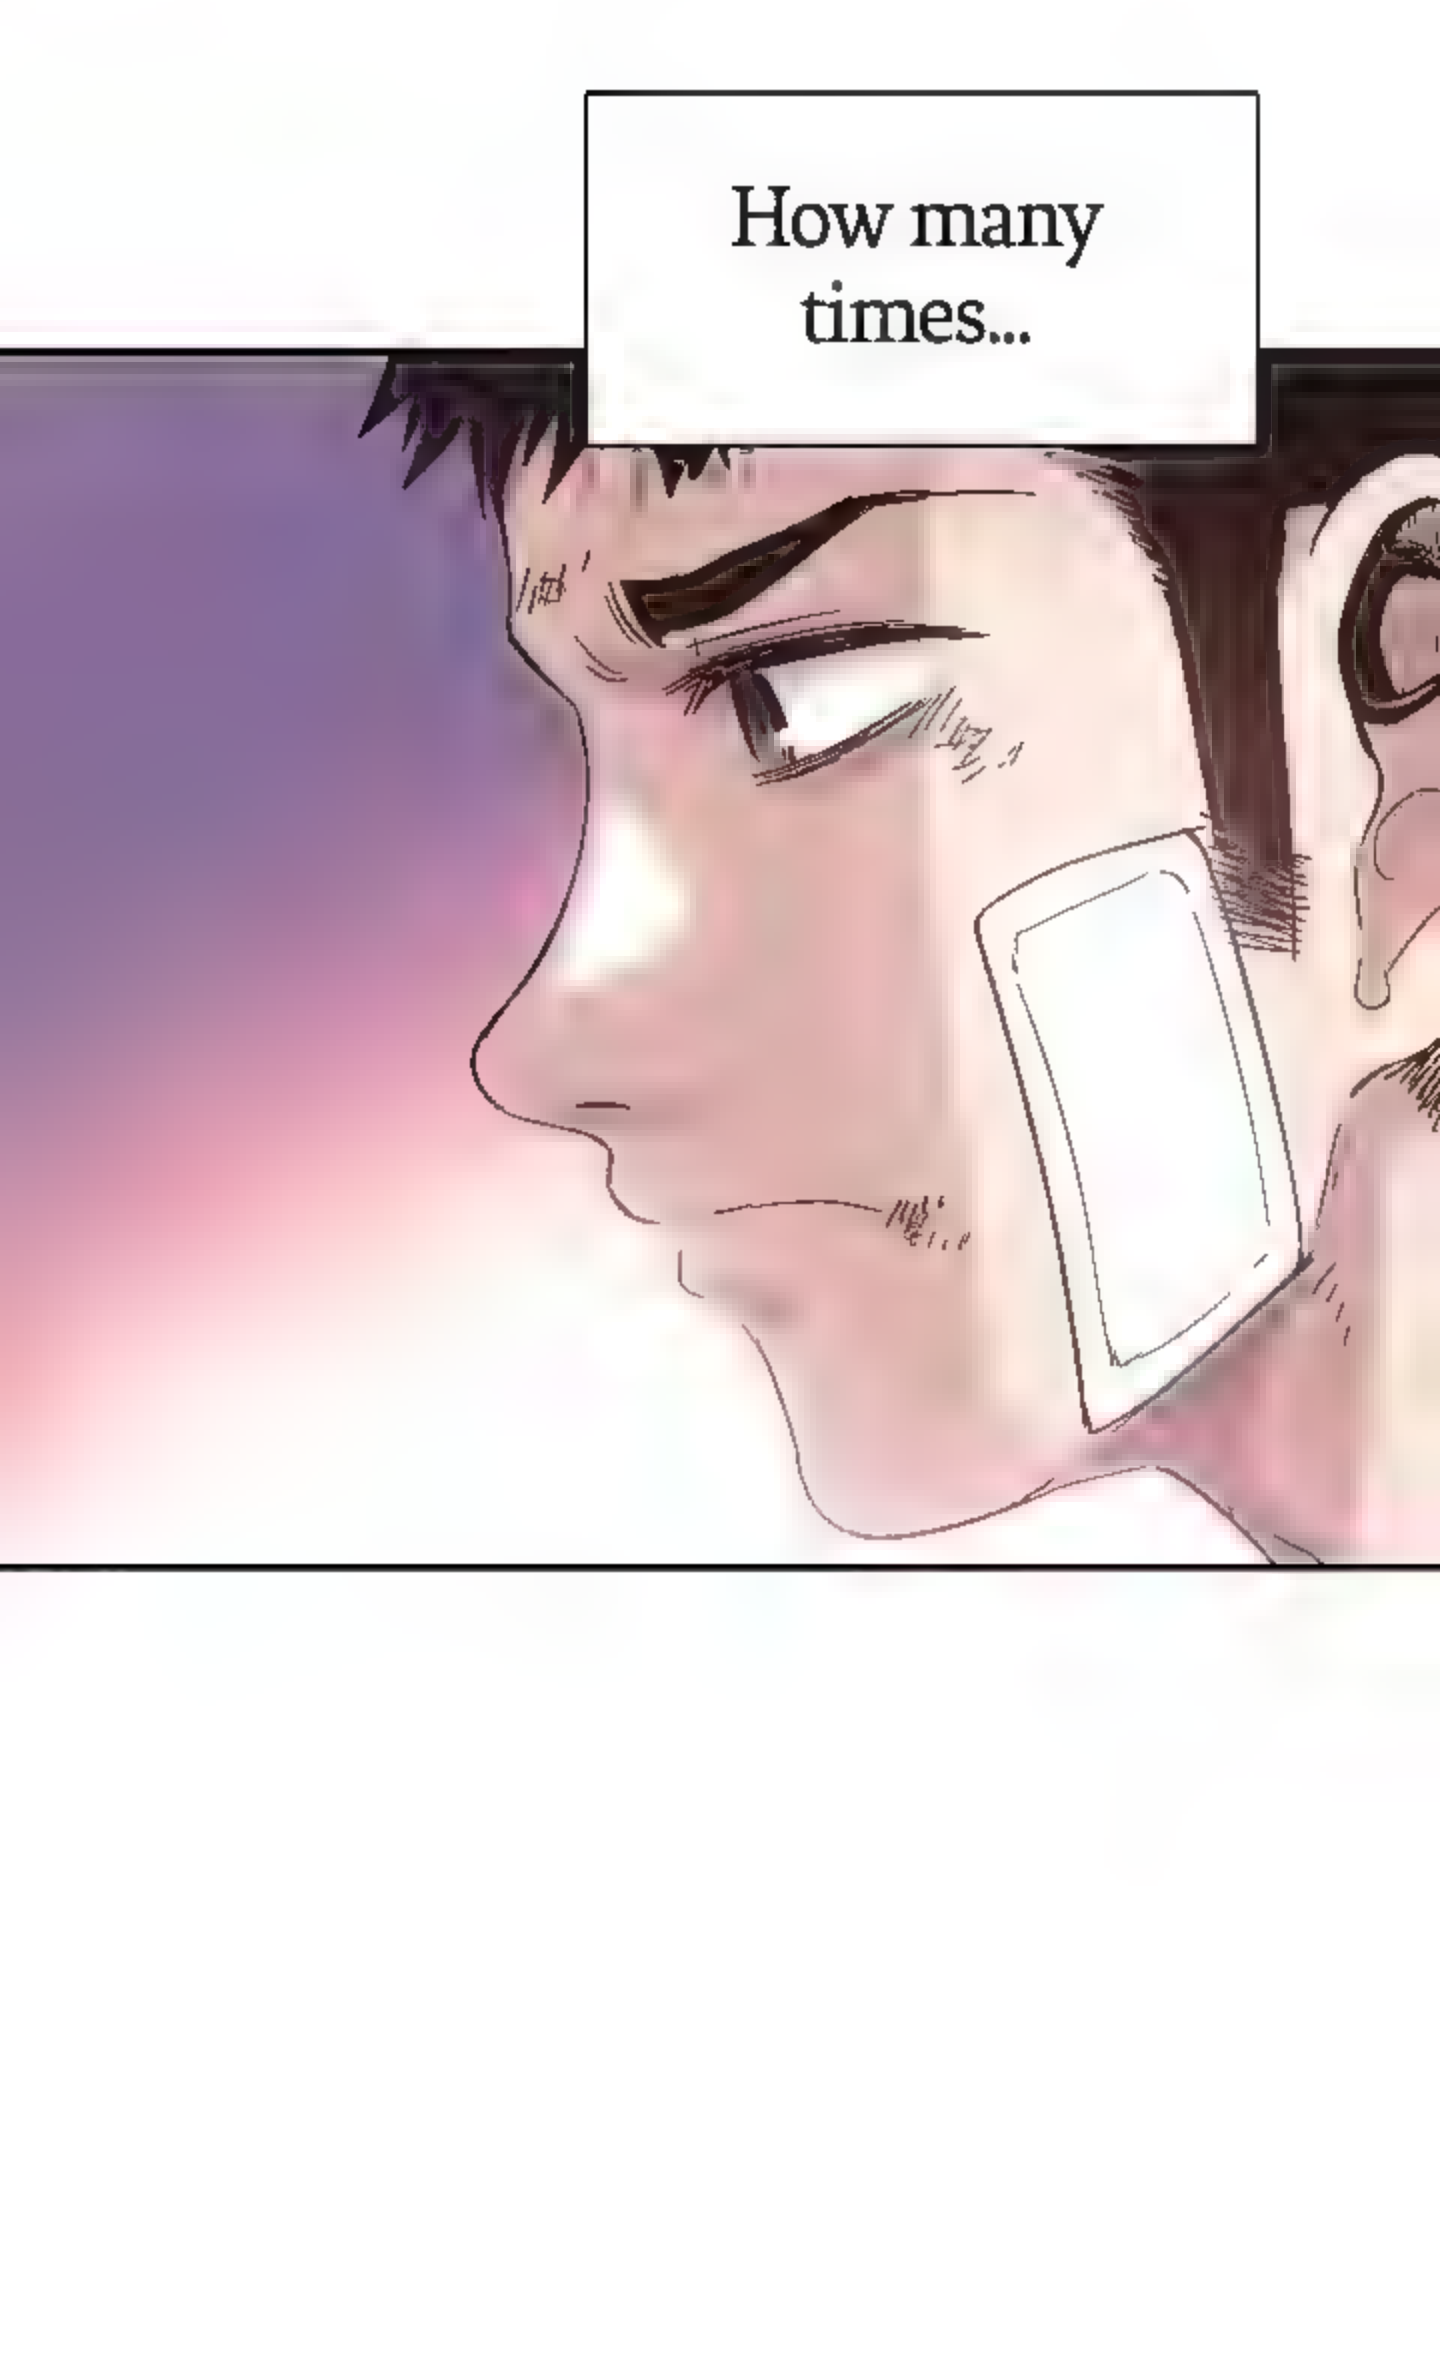

But actually hearing it from her is so annoying...

Who was it?

Her first man...

How many
times...

I wonder how many
times she did it...

Before she did
it with me...

Thrice?

Five times?

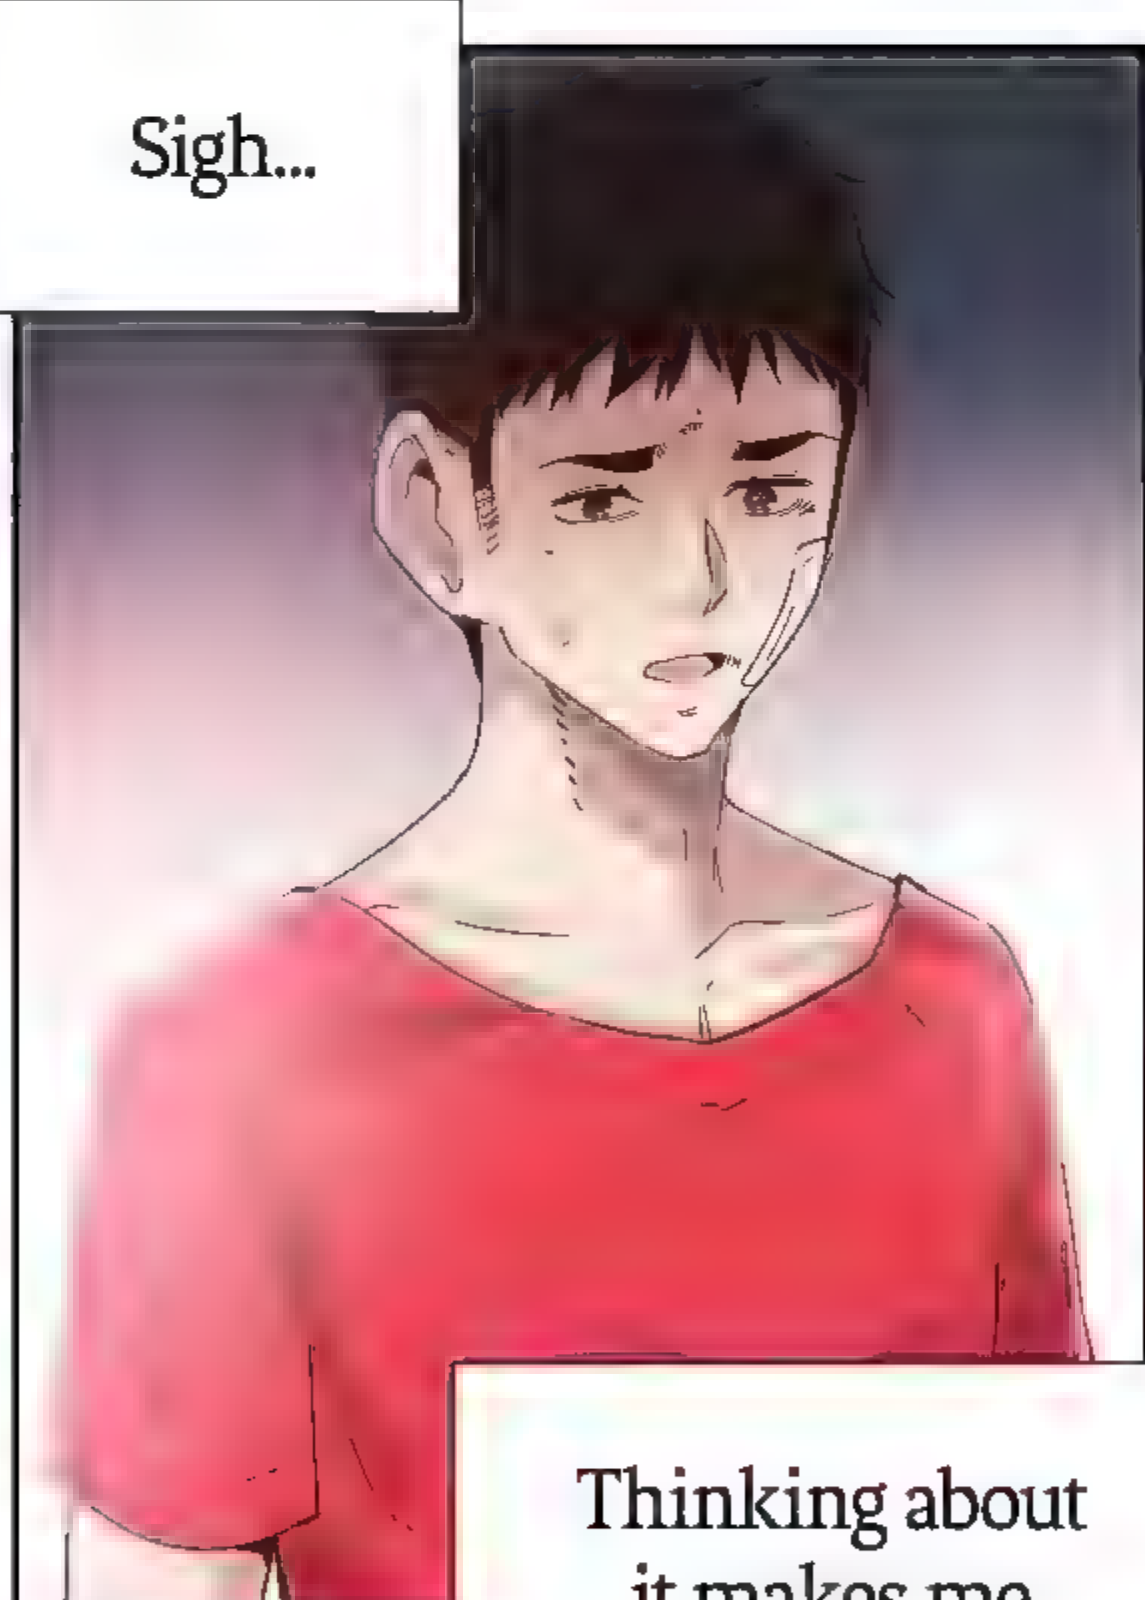

Ten times?!

More than
ten times???

Sigh...

Thinking about
it makes me
fucking mad...

I wish it would
have been her first
time with me...

Did it hurt for
her when she did
it for the first time?

Probably, right?

First times are
supposed to hurt...

She must have
winced in pain in front
of another guy...

Fucking hell...

.....

I was
SOO-YOUNG's
first...

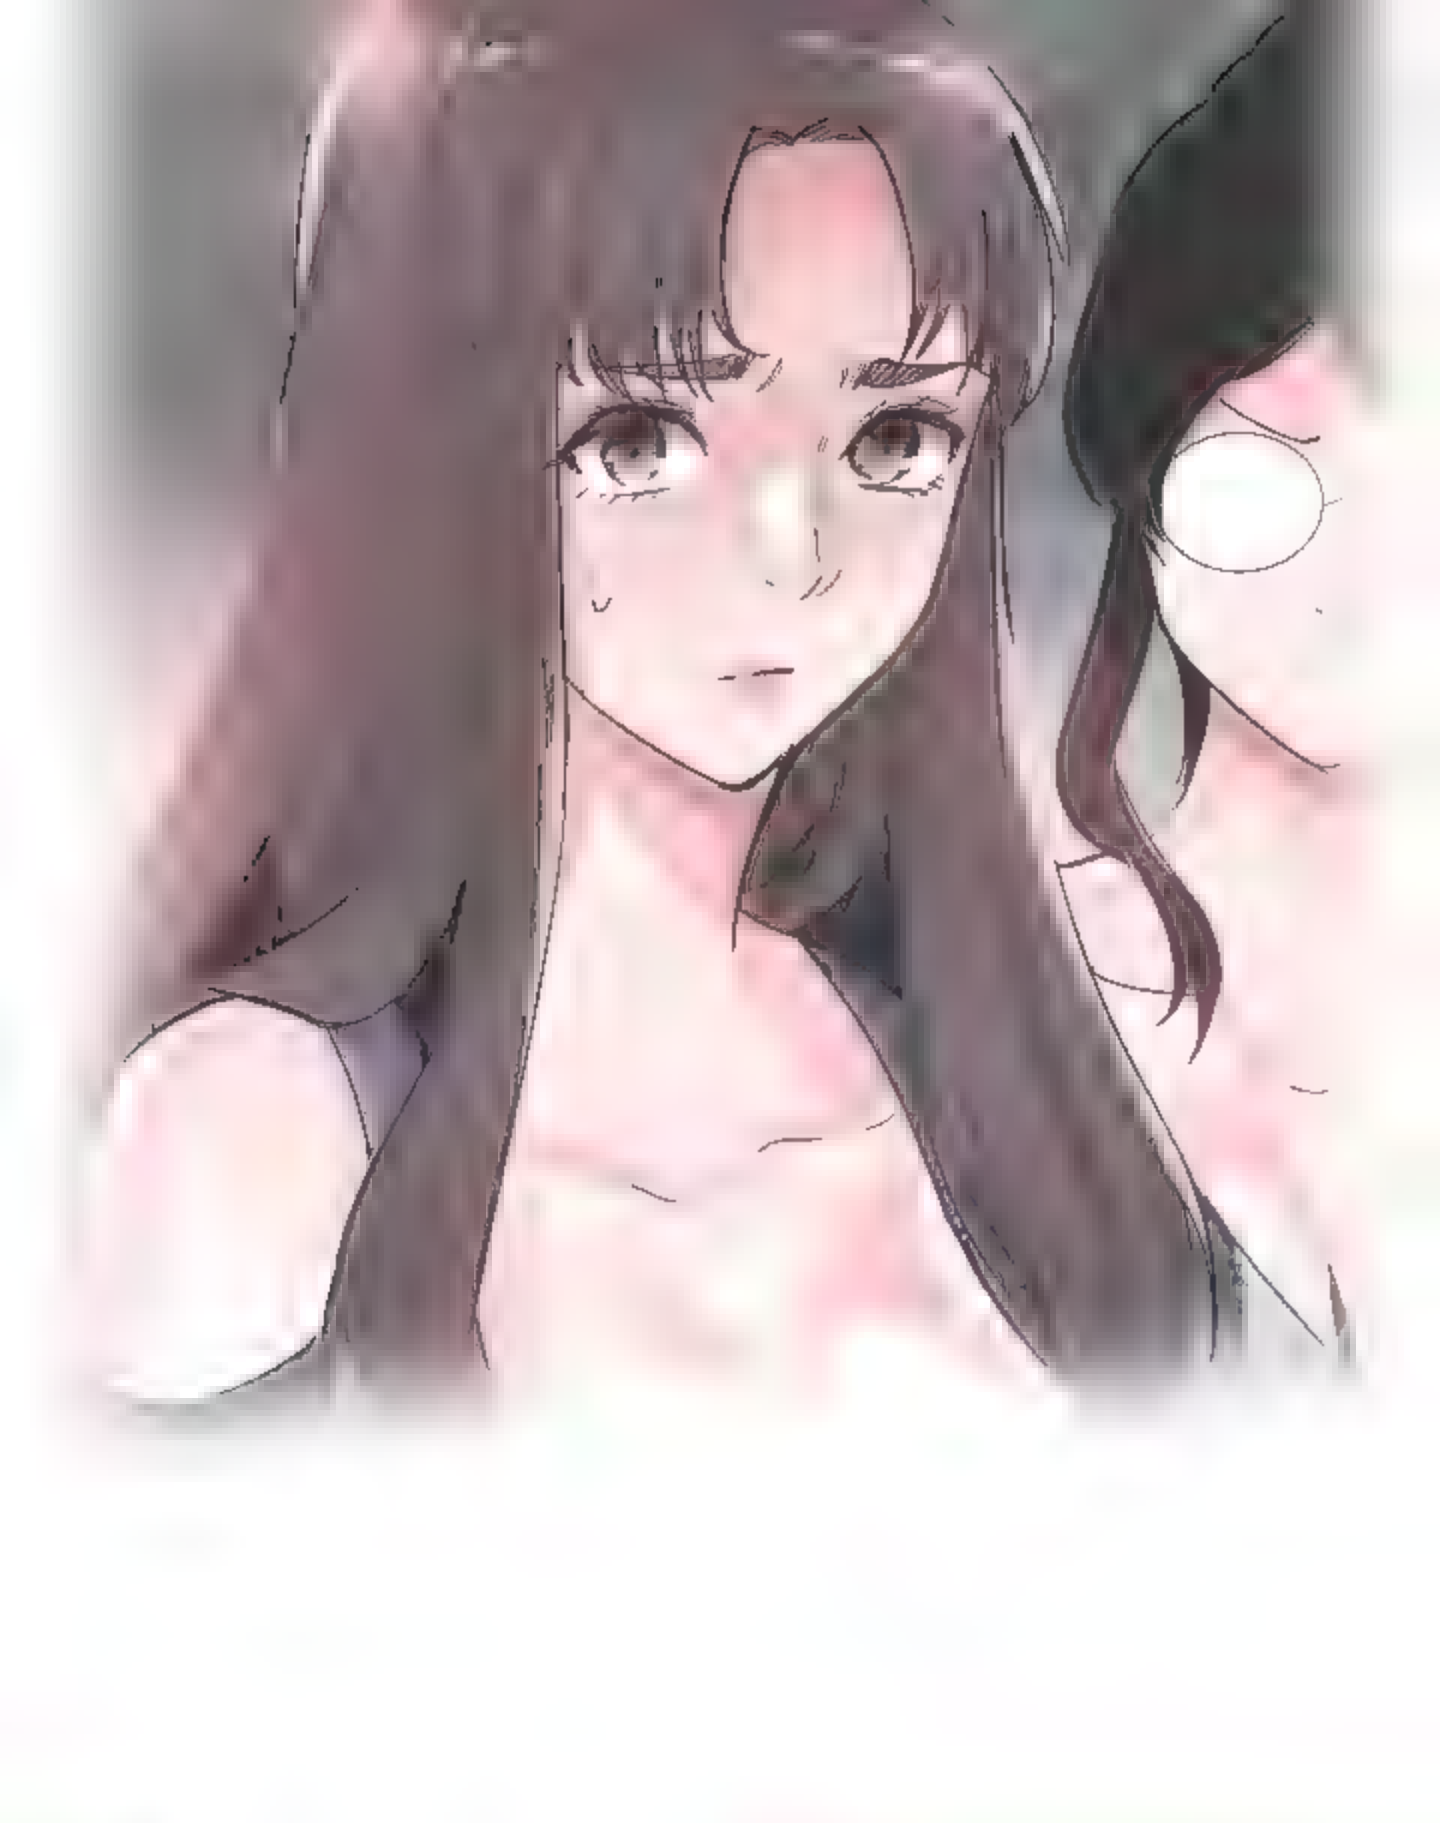

It was painful
for her...

FLINCH

YOU CAME!

DO YOU HAVE A
CRUSH ON ANYONE
IN SCHOOL?

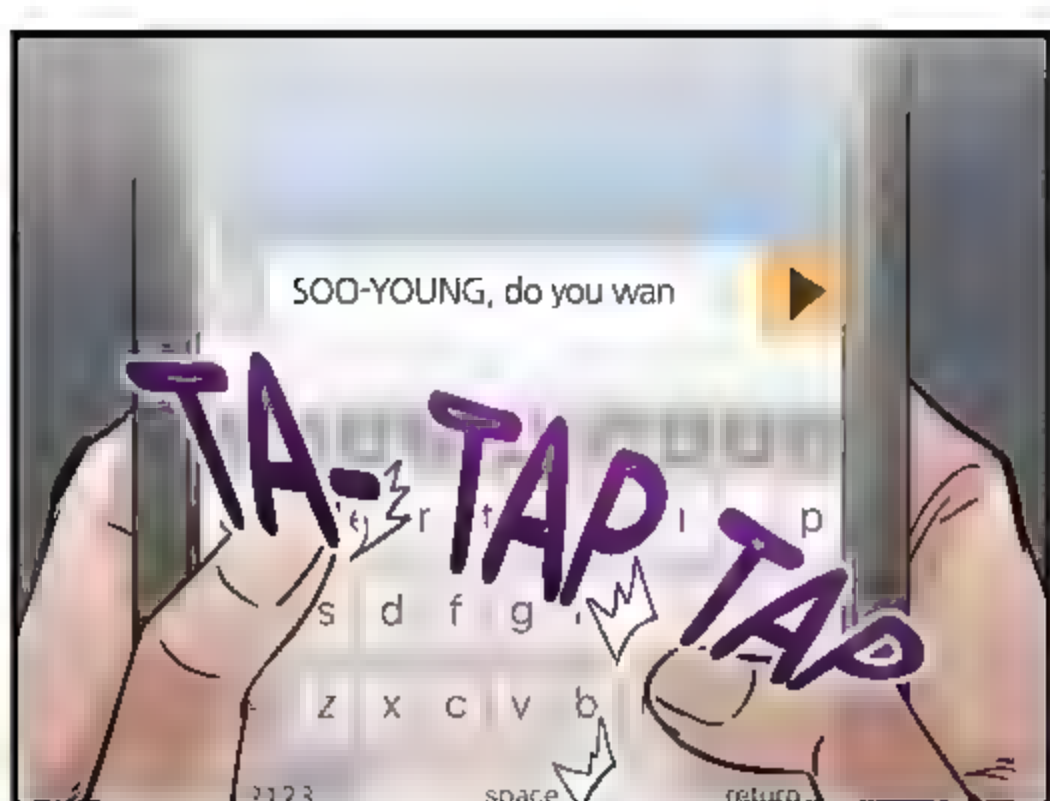

I wanna tell
SOO-YOUNG
something...

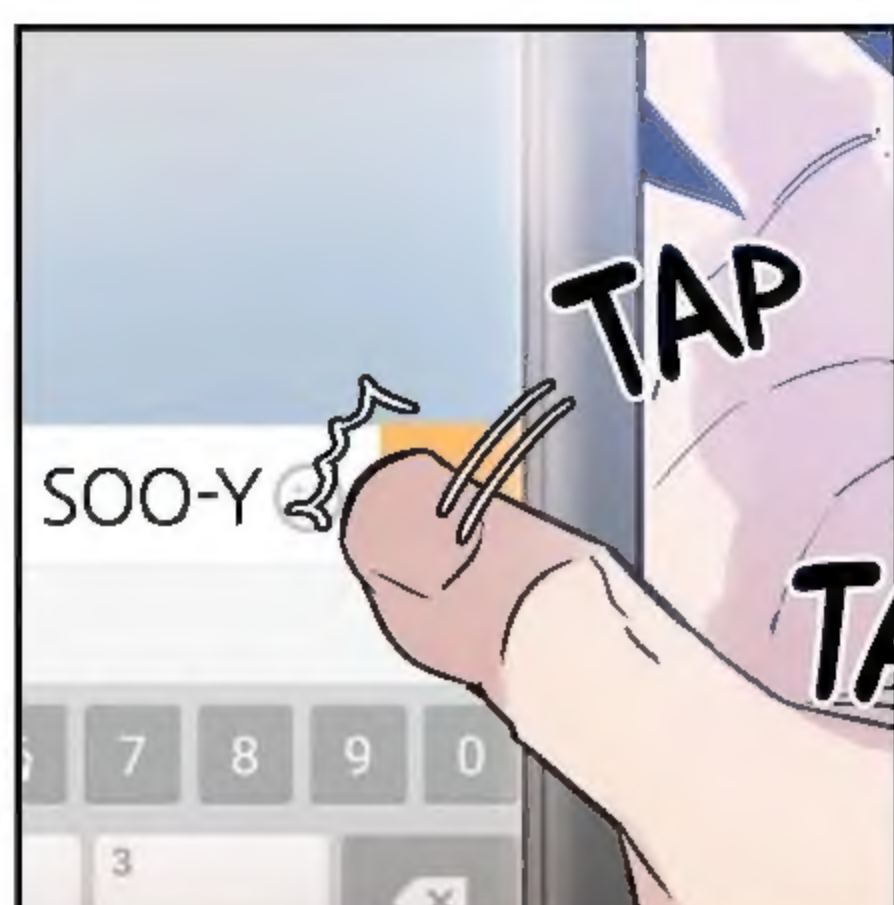

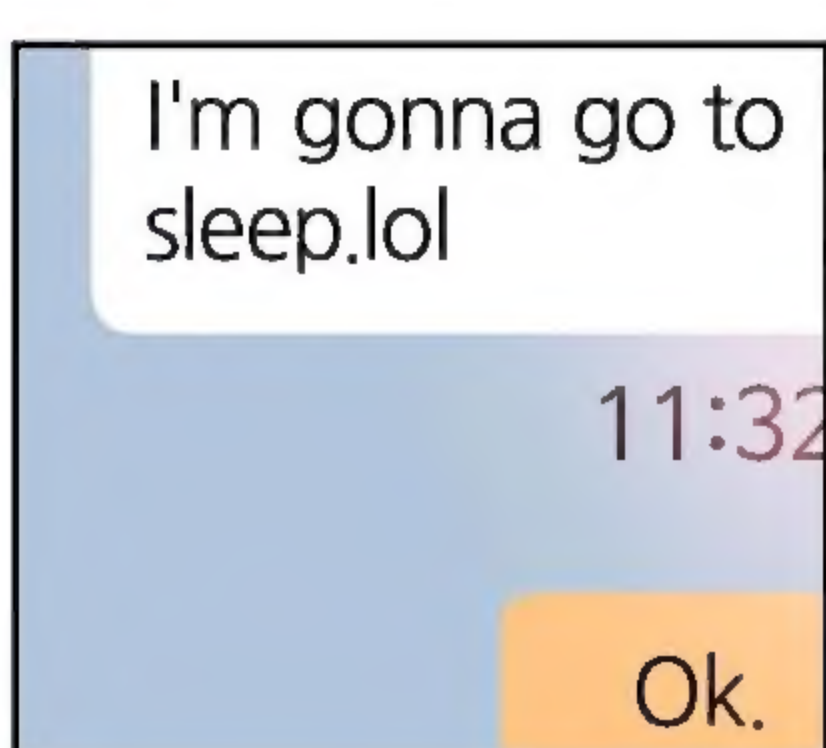

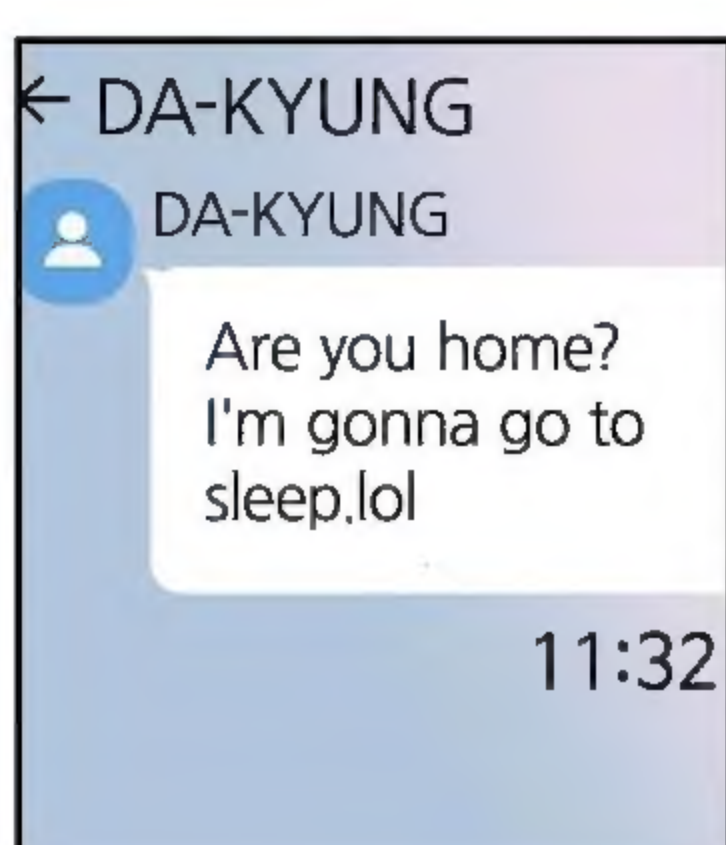

But I don't know
what to tell her.

Why did I even have
sex with her that day...
